Child Protection and Equal Opportunities Policy

It is the policy of The Joneses' Studio, wherever reasonably practical, to safeguard its members from physical, sexual and emotional harm while participating in Dance Sport activities. We take all reasonable steps to ensure that, through relevant procedures and training, children do so in a safe environment. To protect the well being of children in our care, we would ask you to be fully aware of the following points.

- We respectfully request that parents or guardians be responsible for escorting young persons under the age of eighteen to and from the venues, and are punctual on collecting.
- That parents or guardians of children under the age of twelve should remain in the waiting areas while classes are in progress. Failing this, that staff are made aware of any absence on the part of the parents or guardians. We expect that students aged 12+ attending classes will leave the class unaccompanied, no longer becoming the responsibility of the teacher in charge, unless we are notified otherwise.
- The Joneses' Studio staff are not to be considered in 'loco parentis' outside the halls of tuition. The Joneses' Studio's duty of care for a student is during stated class times only and then only to negligence. This is on the condition that they adhere to the rules of behaviour and conduct given by the teacher. Supervision outside of class/performance times is not the responsibility of The Joneses' Studio.
- Parents and guardians should be aware that the styles of dance taught at The Joneses' Studio necessitate physical contact between teacher and pupil, and hereby consent to physical correction. If this is not acceptable, the teacher must be notified in writing.
- Where personal tuition is given, parents or guardians are advised to remain in the waiting areas throughout.
